From Giaconi Joann A : Pearls of Glaucoma Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Pearls of Glaucoma Management:

0 of 0 people found the following review helpful. Five StarsBy Wes StudentGreat Glaucoma text. Highly recommend.0 of 0 people found the following review helpful. Five StarsBy studentExcellent and concise book

This concise and comprehensive guide is written by international experts of the field who are familiar with the world's literature. Based on the world's literature and their own experience, authors state and explain how they prefer to manage patients and problems clinically. Each chapter author gives the reader numerous clear and specific tips and pearls for the diagnosis and management of Glaucoma. The reader-friendly structure of this book ensures that the necessary information is quickly found and remembered. This book ensures a pleasant learning experience on Glaucoma management with the goal of an improved treatment outcome.

From the reviews: "Using a question/answer format, this book delivers current and relevant information about glaucoma. ... written primarily for clinicians treating glaucoma patients ... fellows and residents. ... helpful for all those who are interested in the management of patients with glaucoma. ... The book accomplishes its goals. It is easy to read and addresses many points in depth and with clarity. Although it may serve as a textbook, it highlights clinical pearls and techniques which can supplement current knowledge and act as a quick reference." (Prithvi S. Sankar, Doodys Service, July, 2010)From the Back CoverThis concise and comprehensive guide is written by international experts of the field who are familiar with the world's literature. Based on the world's literature and their own experience, authors state and explain how they prefer to manage patients and problems clinically.
